Dear Parents/Guardians:

Eatontown Public Schools will have a full-day Preschool program for three- and four-year-old students living in Eatontown. If you have a child that turns three (3) or four (4) by October 1, 2020 and you are interested in a full-day Preschool program, there will be a pre-registration for the upcoming Preschool lottery on **Tuesday, March 3, Wednesday, March 4, and Thursday, March 5, 2020** at Meadowbrook School, 65 Wyckoff Road, Eatontown, New Jersey. The application process will take place from 9:00 – 11:00 AM and 1:15 – 2:30 PM. Evening registration will be held on Wednesday, March 11, 2020 from 4:00 – 7:00 PM at the Administrative Offices, 5 Grant Avenue, Eatontown, New Jersey. You must bring your child’s original, state-issued birth certificate with raised seal and proof of residency (a current lease or mortgage statement) for pre-registration. Immunization records and physical examination by your pediatrician also will be required to complete the final registration process.

Applications will be accepted by way of a lottery system, therefore, pre-registration does not guarantee placement in the Preschool program. The remaining children will be placed on a waiting list. No applications will be accepted after the final registration date of March 11, 2020 and all documents must be received by March 12, 2020 at 3:30 PM. The lottery drawing will be held during the week of March 15th with results mailed to parents after the drawing is complete.

If your child is currently enrolled in one of our Preschool programs at Woodmere School or Acelero Learning Center, pre-registration is not necessary. These students will remain in their current placement until they are eligible to attend Kindergarten. Preschool students new to the program for the 2020-2021 school year will be placed at Woodmere School, Kiddie Academy in Eatontown, or Acelero Learning Center in Neptune based upon the results of the lottery process.

If you have any questions, please feel free to call Mrs. Dawn McCulloch in Special Services at (732) 935-3309 x5. Thank you for your cooperation.

Sincerely,
