Dear Parents/Guardians,

It has come to my attention that \_\_\_\_\_  
would like to participate in the athletic program offered at Memorial School.

According to Board of Education Policy 2431 Athletic Competition, students need to satisfy the following conditions:

- A pupil in grade six (6) through eight (8) is eligible for participation in sports if he/she passed all courses required for promotion or graduation in the preceding semester.
- A pupil in any grade must maintain a satisfactory record of attendance to be eligible for participation in sports. An attendance record is unsatisfactory if absences exceed twenty (20) days. No pupil who has been absent for a school day may participate in an athletic competition scheduled for the afternoon or evening of that day.
- A pupil in any grade who fails to demonstrate good citizenship or observe school rules for pupil conduct may forfeit his/her eligibility for participation in athletic competition.
- Please remember that all students who wish to participate in sports, **MUST** have a recent physical and a copy of that must be given to Mrs. Hartman.

According to our school records and information, \_\_\_\_\_  
satisfied the aforementioned requirements.
