

Dear Parents and Guardians,

I'd like to welcome you and your child to Vetter School! This year, I'm using [Remind](#) to help keep you informed about school wide activities and events. [Remind](#) is a service that lets me send quick messages via text or push notifications to everyone who signs up. We'll be able to stay in touch without revealing our personal contact information. Signing up for my messages on [Remind](#) *is easy and free.*

Here is some information about [Remind](#) that might be helpful:

- Messages from my class will be sent directly to your phone or tablet.
- Your personal contact information is not visible to me or the school.
- I can send announcements to the entire school or direct messages to individual groups such as the parents of our 6th graders.
- Messages on [Remind](#) is a one way communication. If more information is needed, email can be used.
- All messages are recorded and easily accessible in case they need to be referenced in the future.
- Once you have signed up, you can choose to end your affiliation with [Remind](#) by simply texting ***@STOPALL.***

If you are interested in joining [Remind](#), please either contact the school or email me directly and we will be happy to provide you instructions.

I'm excited to get to know you and your child better this year! If you have any questions about [Remind](#), please feel free to contact me at. I look forward to connecting with you!

Best,

Kevin Iozzi
Principal
Margaret L. Vetter School
