November 4, 2015

Dear Parents/Guardians:

On behalf of the Board of Education, I am writing to you today as a follow-up to the October 8, 2015 correspondence that was distributed districtwide regarding the Enrollment, Facilities, and Organizational Report conducted for the school district. Since that community notification, Dr. Ross Haber conducted a presentation for the Board of Education as well as the public at the October 26, 2015 Board Meeting.

Based upon questions and feedback shared by the Board of Education and community at the last public meeting, Dr. Haber decided to revise certain aspects of his Enrollment, Facilities, and Organizational Report. In addition, the Board of Education requested additional information from Dr. Haber.

The updated Enrollment, Facilities, and Organizational Report will be posted on the main page of our district's website at www.eatontown.org under "What's Happening" for your convenience and review. Additionally, Dr. Haber will be making a second presentation to the Board of Education and the public at the November 9, 2015 Board of Education Meeting at 7:30 p.m. This meeting will be conducted in the Memorial School All-Purpose Room. Please note that this presentation will focus on the updated aspects of the study by Dr. Haber as well as the request for additional information by the Board of Education at the last Board Meeting.

Thank you for your attention and consideration.

Sincerely,

A handwritten signature in black ink that reads "Scott T. McCue".
